Commissioner for Patents  
Alexandria, VA 22313-1450

Sir:

Documents relating to the above-identified application are submitted herewith. These documents are intended for the Examiner's information and for citation with the instant case. This submission does not constitute either a representation that a thorough search has been made or an admission that the documents cited herein are properly citable against the above-captioned patent application. Any comments accompanying the document are not intended to take the place of the Examiner's independent consideration of each document. An attached PTO Form 1449 lists all the documents. Please note these references were already submitted with the parent case.
